

“I wear my helmet to work every day...be sure to wear yours on September 21st!”

***~ R.J. Umberger,
Columbus Blue Jacket***

On September 21, 2011, we are celebrating Ohio’s first ever statewide **“Wear Your Bike Helmet to School Day!”**

We will be talking about the importance of wearing appropriate protective gear when participating in sport and play – including wearing a bike helmet while riding! Staff, teachers and students are encouraged to bring their bike or sports helmet with them to wear for the beginning of the school day on Wednesday, September 21, 2011. We will return the helmet home with your child at the end of the day.

Thanks for helping us encourage our students to “Put a Lid on It – Protect Before You Pedal” on this special day and every day!

This program sponsored by the Ohio Chapter, American Academy of Pediatrics.
