This prevention is modeled after the recently released Vision Screening Guidelines by national AAP and Prevent Blindness America. Actual vision screening equipment will be demonstrated and a free copy of the guidelines will be provided to each attendee. This presentation is free of charge by The Ohio Department of Health, Bureau of Child and Family Health Services, Save Our Sight Program. Supported by Prevent Blindness Ohio and the American Academy of Pediatrics.

Many children in Ohio are not properly screened for vision problems which can be irreversible if not discovered in time.
